From the desk of Editor-in-Chief

With immense pleasure I would like to announce that we are publishing the Volume 07 (Issue 01 – Jan - Jun 2025) of MIDSJR Journal of Dental Research after the successful publication of six volumes. *“Everything is possible when you have right people to support”*, I would like to extend my heartfelt thanks to the authors and our management for their constant faith in me and their utter support.

The Volume 07 (Issue 01 – Jan -Jun 2025) has been created with the great efforts of providing the quality manuscripts rather than the quantity, the volume contains case reports and review articles.

I dedicate this issue to all the faculty members of MIDSJR Dental College, Latur who immediately responded to the call for manuscripts and submitted their valuable work to the journal.

Dr.Suresh K. Kangane,
Principal,
MIDSJR Dental College, Latur.
